

Dear Cedar Mountain Parents/Guardians,

As our school year is quickly ending, your student's school issued Chromebook/iPad needs to be turned in. Please have the students return their devices (Chromebook/iPad) including chargers and charging cords to the school by June 2 (seniors) and June 3 (distant learners in K-5 and 6-11). Charges may be assessed for damage, removal of stickers/graffiti, or replacement of missing components such as missing chargers and charging cords. Please make sure the charger cube and cord are included in this turn in.
