

Why ECFE?

Parents are children's first and most important teachers. ECFE provides opportunities for Parents and young children to grow and learn together in a safe, supportive environment.

Who is ECFE for?

ECFE is for expectant parents or parents of children between the ages of birth and kindergarten enrollment.

Day Care Providers are welcome to attend classes and receive credit toward the renewal of their day care license.

What is ECFE Parent/Child Class like?

- Parent and child interaction time to explore learning stations and spend quality time with your child.
- Guided play and learning experiences for children led by a licensed early childhood teacher.
- Parent discussion and sharing time led by a group parent facilitator.
