

Education Minnesota Break is October 19-20

There will be no school for Cedar Mountain students on October 19-20. School will resume on Monday, October 23.

National School Lunch Week

The week of October 9-13 was National School Lunch Week. I want to thank our kitchen staff for the great job they do preparing meals for Cedar Mountain students and staff. The National School Lunch Program (the largest federal child nutrition program) was established under the National School Lunch Act, signed by President Harry Truman in 1946. In 2010, a reauthorization of the Child Nutrition Act of the Healthy and Hunger-Free Kids Act included new funding for federal school meal and child nutrition programs, increased access to healthy food, and promoting overall student wellness.

2017-18 Cedar Mountain Lunch/Breakfast Program Highlights:

- Students who qualify for reduced-price school meals will receive free lunches and breakfasts.
- All kindergarten students qualify for free breakfasts.
- Menus are posted on school web page.
- There is a charge for certain additional entrees. All students (including free/ reduced) need to pay this charge.
- Additional salad bar items are free.
