

Operating Levy Thank You

On behalf of Cedar Mountain Schools, I want to extend my sincere appreciation to our communities for supporting the referendum that was approved on November 6. The passage of this referendum will make a significant difference in the district's ability to maintain quality educational programs, services and opportunities for children. We look forward to creating a bright future for our students and our communities.

American Education Week

This week is the 97th annual American Education Week. This year's theme, *Great Public Schools: A Basic Right and Our Responsibility*, calls upon America to provide students with quality public schools so that they can grow, prosper, and achieve in the 21st century. We have lots to be proud of at Cedar Mountain and in schools throughout the state. Great schools are great because of individuals who are working together for a common goal. Thank you for your part in making Cedar Mountain an outstanding school.
