Weather

Here are a few reminders regarding the weather:

- Plan more than one way to receive school closing announcements.
- School closings are sent through the Instant Alert program to those who have signed up for this service. If you have not signed up, or would like to be removed from the program, contact the school.
- Closings are sent to area radio stations and television stations in Minneapolis/St. Paul. See our web site for specific radio and television stations.
- Our buses do their best to reach all students, but if a road does not appear to be passable, we will contact the family rather than risk getting a bus stuck on the road.
- The District respects parental decisions if you would choose to keep your child home until the conditions improve.
- All school activities will not be held when school is closed due to inclement weather.
- All after-school activities will be canceled when school is dismissed early because of inclement weather.
- In case of a late start, breakfast will not be served at school that day.
