

News Briefs from CM

- Successful Winter Activities - We have many activities offered at Cedar Mountain. In addition to the high profile athletic opportunities in Boys and Girls Basketball, Danceline, Hockey, Gymnastics, and Wrestling, students can take part in Speech, Knowledge Bowl, theatre, band, choir, and a number of FFA contests and competitions. A partial list of other activities and opportunities include Blue Crue, the blood drive, pep band, elementary state projects, and community education classes. Congratulations to our students who participated in these and other school activities.
- Congratulations to Brooke Hoffbeck, who will be the Region V FFA President for 2018-2019. Also congratulations to Trena Jeppesen, who will be the Region V FFA Director for 2018-2019. Two regional officers from one school. Amazing! In addition, both Brooke and Trena will receive their State FFA Degrees in April.

- The weight room in Morgan is open for organized weight and agility training on Mondays, Wednesdays, Thursdays, and Fridays, starting at 6:30 a.m. Right now, there is an average of 10-12 young men and women at each session, and there is room for more. Those who attend regularly receive a tee shirt, weekly protein shakes, and occasional breakfasts. Transportation from Franklin is available and leaves at 6:00 a.m. Students can see Mr. Robinson, Mr. Schaub, or Mr. Krueger if they want to join. We strongly believe involvement in this program is beneficial to our students and our programs.
