

## Retiring Staff Member

This year, Ron Louisiana is retiring after many years of service to the Cedar Mountain School District and our students. Ron has served as the custodian and maintenance person at the elementary school for over 30 years

Ron is originally from Fairfax, graduating from Fairfax High School in 1974. He started working at the elementary school in April of 1988. Ron and his wife Peggy have two children, Bobby and Katie, both of whom graduated from Cedar Mountain.

Ron is known for his ingenuity when it comes to solving problems in the building. His pride in our school shows through the cleanliness and upkeep of the building. Everything he does is done thoroughly, accurately, and neatly. Ron keeps detailed records, and knows when anything was done in the elementary building. When something needs to be repaired, Ron gets it done.

Best wishes to Ron on his retirement. You will be missed!
