

A MESSAGE FROM THE SUPERINTENDENT

I believe that education is the great equalizer. A quality education is the most consistent tool that allows people to advance their socio-economic status. Your education cannot be taken from you. At Cedar Mountain, we believe it is our privilege and responsibility to provide ALL students with the best possible opportunities for their educational quest.

We encourage parents and grandparents to be active participants in their student's education. All of the employees of Cedar Mountain will do their very best every day to provide quality learning opportunities for all children.

On behalf of all of the employees/staff of Cedar Mountain, I encourage you to visit our schools and see what we have to offer. From birth through graduation, we pride ourselves on meeting the needs of our students through a variety of programs and services. Cougar Pride!
