Cedar Mountain Juniors planned Prom 2023 "Cloud 9" which was held on Saturday, April 22nd beginning with Grand March at 6pm. Decorations included a chandelier, balloon arch, Cloud 9 mylar balloons, and curtain lights in the background as well as a cloud lined path. A banquet catered by Marie Gervais of Springfield, included a pasta bar, salad, bread stick and dessert. That was followed by the dance with music by another local favorite, DJ Bob out of Wabasso. Post prom began with a hypnotist and followed up with a casino night and prizes for all prom attendees.

*Mr. R. Brandl
Superintendent /
MSHS Principal*

Thank you and best of luck to our Class of 2023

As each school year draws to a close, we say farewell to our graduating seniors. We wish each and every senior the very best as they transition into a new and exciting phase of their young lives. We hope that the experiences that they have had at Cedar Mountain have prepared them to be successful in whatever path life takes them. Thank you to both the students and their parents for the efforts that

they have made as we work together to provide a high quality education.

As we reflect on the 2022-2023 school year, the students and staff have accomplished a great amount and have a lot to be proud of. Cedar Mountain has made great strides academically as we prepare our students for life after high school. Our students made tremendous

progress in the classroom and also made us extremely proud with their successes in extra-curricular activities. Students at Cedar Mountain were able to see first hand that end result is nearly always tied to the effort that they have put in.

A special thank you to all of the staff at Cedar Mountain for their tremendous efforts throughout the school year. We are proud of our wonderful teachers, administrators and support staff who work hard to build relationships and provide our students the environment and education they deserve.

After 7 years at Cedar Mountain, I am transitioning onto a new career. My last day in the office will be June 30th, 2023. I am thankful for my time here and have enjoyed working with our students and staff. I wish Cedar Mountain nothing but the best for many years to come.

Thank you for your continued support of Cedar Mountain Schools. We hope you have a great summer! Go Cougars!

*The staff and community would like to thank Mr. Brandl for his dedication to our students.
We wish you success in your new career. Come visit any time!*

CONGRATULATIONS to our Retirees

CMS thanks you for your service to our community and school. We wish you all the best in your retirement.

Peggy Mages

Peggy has been at CM for 29 years. At CM, she was a special ed para for 3 years before becoming the Technology Coordinator, a position she has held for 26 years. Peggy is looking forward to "doing whatever I want, whenever I want" in retirement.

Eileen Rothmeier

Eileen has been the MS/HS Secretary at CM for 30 years, she is the first person to greet you in person and by phone. Eileen has been a constant and stable part of CM that staff, parents and students have come to depend on. Spending more time with family is what she's looking forward to the most in retirement.

Suzette Hoffbeck

Suzette has worn many hats at CM. She has been in the district office for 19 years, 6 of those years were as Business Manager and the last 13 as Payroll/Human Resources. Prior to becoming a CM employee, she was on the CM School Board for 13 years. Suzette is looking forward to visiting her daughters and their families more often and spending time with her 8 grandchildren.

Elementary News

Wow, it's hard to believe that it's the end of the school year already. We have had so many great things happen this year. I want to take a moment to say thank you to the students, families, community, and staff. Some highlights of the year include our parent conferences in both the fall and spring, our amazing Christmas concert skit for our students, our first ever book blast fundraiser where we raised

over \$23,000 in books so all of our students could bring books home, Kindergarten connection, Cedar Mountains Got Talent performances, Grandparents Day, and taking some 4th and 5th graders to compete in Math Masters. We are looking forward to celebrating the end of the year with the 4th grade state fair projects, Preschool and Kindergarten celebrations, many field trips for each grade level, and an end of year dance on May 19th!

Over the summer, take some time to recharge your batteries as you enjoy spending time with family and friends. Take time to read each night and continue to practice math facts. Connect with some community education and recreation programs that Cedar mountain has to offer and come to see us at the CatFish Days parade.

Thank you for continuing to support Cedar Mountain Schools. I look forward to next year as we continue working together in supporting students to be the best they can possibly be. I am excited to continue the work as partners in your child's education.

Elementary Student Council members did a great job working in the concession stand at the basketball game.

SOUTH VISUAL Arts COMPETITION

Seventeen students from CM recently attended the Section 2A South Visual Arts Competition. Ten students received an Excellent rating from the painting, drawing, and ceramics category, and 2 students received Superior ratings from the ceramics category. Congratulations to all our art students who attended!

Cedar Mountain Elementary Staff are taking turns volunteering to pack bags for the "Back the Pack" program. The program provides weekly bags of food to students in Renville County.

5th Grade Student Council members presented 2 skits to help students prepare for the upcoming MCA tests. The first titled Turtle and Rabbit and the second The State Test Survivors.

4th Graders get an Intro to Band

The 4th graders recently had the opportunity to learn about band at the MSHS. Students were able to touch, feel, hold and actually try out various instruments. Mr. Root, Mrs. Eberhard, Mrs Miller and current MSHS band members were on hand to assist students. We are looking forward to these students joining the th grade band next year!

LET'S PLAY

Report Cards

Elementary report cards will be mailed out to families in June. **MSHS** students can see their report cards online or call the MSHS office to request one to be mailed.

CMS Elementary Volleyball

The Cedar Mountain elementary volleyball teams wrapped up their spring season with a fantastic tournament on May 6th. These girls did a tremendous job improving their skills, learning the game, growing as teammates, developing leadership skills, and creating lifelong memories to cherish. We can't wait for more cougar volleyball!

UNDER THE SEA

SADD sponsored a dance/activity night for the 6th, 7th, and 8th graders. The theme this year was "Under The Sea." They enjoyed the music by DJ Bob and the photo booth was hit as well.

Seniors

Have you been admitted to multiple colleges? Make sure to let the other colleges know that you will be attending a different college but remember to thank them for the opportunity.

Juniors

Try to get some college visits in this summer and early fall, you should have an idea of what your plans are after high school; where do you want to go to college and what for? A good website that can help you with this is <https://careerwise.minnstate.edu/> Many colleges are now offering virtual tours at this time.

Thank you for saving lives.

On April 26, the last blood drive of the year was held at the school. Our seniors did an excellent job donating blood and filling our blood drive schedule! We had 58 registered donors, 60 units collected and 11 first time donors! CM collected 206 units this year, what an exceptional accomplishment. Congratulations to Eileen Rothmeier for receiving her 6 gallon pin and Keegan Lorang who received his 1 gallon.

TECHNOLOGY & TRADES
On the Prairie

Cedar Mountain 8th Grade Students attended the Technology and Trades on the Prairie (TOP) Career Institute. The Career Institute is designed to create an awareness for students of all the career opportunities available in

Southwest Minnesota focused on technology and trades. The Career Institute provides unique hands-on, project based, experiential learning opportunities for students to explore, experience, and become exposed to the skills needed for our workforce, today and tomorrow. This year sessions included healthcare, law enforcement, construction, plumbing, electrical, agronomy, energy, mechanics, and so much more.

Congratulations to our Speechies

Speech team members shared their talents at subsections and advanced to sections on Saturday, April 15th in Redwood! Jonah received 4th in drama, Evelyn also earned fourth in storytelling, and Rylee placed fifth in humorous. Jonah placed 6th at sections. Congratulations!

Stages in Chick Embryo Development

The animal science class recently learned about embryology and successfully hatched 20 chicks! The Morgan preschool class was excited to take a visit down the hall to see them.

On May 16, approximately 300 5th grade students from area schools gathered at Gilfillan Estate for Ag Day. Students had a variety of stations that included touring both the Mathiowetz sheep farm and Van Nurden hog farm, and rotating stations at Gilfillan Estate where speakers shared information about agriculture that included farm safety, learning about byproducts and uses of animals.

Jolly Roger & the Pirate Queen

The spring play was *The Jolly Roger and the Pirate Queen* by Craig Sodaro. This play had a large cast, led by the ten seniors. There were many underclassmen in the play, including 10 6th graders. The play was about Roger Goodman (Jonah Krogstad), a man who has every intention of leading a quiet life once he marries his love, Sarah Huffington (Teresa Larsen). However, she has other plans. Sarah tells her friends Kate (Paige Rose) and Belinda (Colette Mathiowetz) that she wants to find a dashing pirate. Willing to do anything for love, Roger with the help of his faithful servant George (Elliott Cavanaugh) immediately buys a ship, recruits a crew, and hires a pirate tutor, Long John Sliver (Keegan Lorang). Long John Sliver and the crew, led by Maude (Evelyn Schumacher) and Claude (Nathan Sandgren), give Roger a menacing name - Captain Blood and send him on an adventure to find gold doubloons. Sarah's parents, Lord Huffington (Rylee Haala) and Lady Emma (Lauren Welter) are also on the high seas looking for the pirate Blue Beard (Abbie Hacker) who has been plundering ships. Captain Belvedere (Nadia Meyers) is also trying to stop the pirates from attacking ships. All the ships meet on Treasure Island and chaos ensues.
