

## Cedar Mountain Elementary

### C.O.L.D. Card

(Continue Our Learning Day)

#### 5th Grade

Language Arts	Math	Science	Social Studies	Specialists
READ! READ! (be ready to take an AR test)	Write one multiplication and one division story problem. Word it so others can solve it!	Build a snowperson	Watch a movie or YouTube video about something in history	Practice your typing skills
Read a story or two to a sibling or adult	Play War to practice your math facts	Create your own STEM project	Play Stack the States	Shovel your driveway
Take a <a href="http://whoosreading.org">whoosreading.org</a> test	Bake/cook and you do all the measuring	Search the web for cool science information	Work on Bonus Coins in Studies Weekly	Practice your instrument for 25 minutes (or more) OR Write a song with <a href="http://Incredibox">Incredibox</a>
Play Scrabble	Complete a Study Island ribbon	Build a Rube Goldberg Machine	Complete the Philadelphia worksheet	Do Go Noodle for 20 min or do any physical activity of parent or guardian's choice for 20 min.
Practice your spelling words	Play a math game of your choice	Watch Bill Nye the Science Guy on YouTube.com	Color the Starry Night picture	Watch a musical

### Directions:

You need to complete a total 5 items from this C.O.L.D. Card. One item from **each column**.

Please have your parents (or the adult supervising you today) sign this sheet and return it to me the next school day. Staple and turn in any worksheets you completed as well.

Your "Blizzard Bag" remains at home for another possible e-Learning Day.

Have fun! If you complete more than is expected, bring your work to me to earn a Classroom Economy bonus. If you make a Rube Goldberg Model, show me the video.
