Tuition

This year Camp Cougar has two options for families to choose from. Choose the one that works best for your situations

Full Time: \$125 per week/per child

This option would be best for those needing 4-5 days of care a week

Scheduled Drop-In: \$35per day/per child

This option would be best for those needing 3 or less days of care a week

In order to offer Camp Cougar we need to have a minimum of 8 children registered with a full time contract. We will make a final decision May 15 so it is very important to pre- register if you are interested in Summer Camp Cougar.

Payment

Tuition will be automatically deducted weekly from a bank account or credit card using the secure Tuition Express program. No cash or check payments will be accepted.
