Appreciation

- Homecoming Week was a huge success. Thank you to the elementary staff for planning and participating in all of the activities. Some highlights were the homecoming candidates coming over and reading to students, the dodgeball tournament between staff and students (grades 2-5), going over to the high school for a pep fest and taking a picture with the cougar, and the CPAC shirts.
- We learned about fire safety at the Franklin Fire Department for fire safety week. Thank you to Tim Joehnck for teaching us about fire safety and showing us a fire truck.
- Thank you to Joe Sherman and the Legion for teaching the elementary about a flag retiring ceremony.
- Thank you to Lisa Thul for teaching us about drums on Indigenous People's Day.
- Thank you to Angela Sandgren, Ashley Nelson, and Scott Babbitt for taking the 4th and 5th grade to History Fest in Mankato.
- Rachel Krenz, Sam Seifert, and Molly Lorang organized and ran preschool screening. We screened 28 students.
- Thank you to Christine Gewerth and Heather Castle, the cooks in Franklin. They offer cookie break to one grade a week. Also, each week they clean water bottles for students.

Acceleration

- **READ Act** - MDE is releasing updates as to the requirements.
 - We completed our first round of FastBridge testing. This is the screening tool recommended by the state to see what students read at grade level. We are currently working through the data. Thank you to Tyler Krehbiel and Michelle Thooff for helping staff with testing. Based on scores, we will be offering intervention to students who are not reading at grade level.
 - LETRS training is going well. We have had our first debriefing, with positive comments from staff. We will finish Unit 1 on November 13. All

staff should be trained in one of the required reading programs (we chose LETRS) by 2027.

- **Cougar Wednesday**

- We have between 22 and 26 students stay for After School care on Wednesdays. This past week we offered painting with Ms. Kemboi and pumpkin carving through 4-H. Mrs. Freitag also did a read-aloud in the library. Our next early out is October 23.

Upcoming Events

- October 21-25 - Unit on bikes in Mr. Freitag's PE classes
- October 21 - Varsity Volleyball players coming to the elementary
- October 22 - Varsity Football players coming to the elementary
- October 23 - Early Out Wednesday - LETRS training
- October 31 - Halloween parties
- November 1 - Staff Inservice Day - LETRS training for staff

School Board Report
Submitted by: Misty Riebel, Principal
October 2024**

Enrollment Updates:

- Settling into the beginning of the year we are currently at 217 students enrolled at the MS/HS in grades 6-12.
 - We are down 6 since the previous reported number
- Committed to an ongoing focus moving forward is to continue to work to build programming to support the needs of our learners to gain greater enrollment throughout the district

General Updates:

- Thank you to all who had a component in planning and rolling out the plans for Homecoming this year! Ms. Tietz has taken the lead with our Blue Crue and they did a fantastic job of coordinating events and activities throughout homecoming week!
- MASSP Regional business meeting and law conference was conducted on October 9th - updates from the legal side of things were discussed. Further information will be forthcoming as the legislative sessions proceed in the coming months.
- There were more staff engaged in dress up days than was reported in several years! Thank you to all who were engaged this fall!
- Feedback as we have started the year:
 - Positive feelings continue throughout the course of the building with collaborative groups discussing alignment with the district vision and mission
 - Data discussions have begun at the MS/HS on MCA test scores, FastBridge data, achievement scores. These are challenging conversations to navigate, but the first step is looking at the data and that is where we are starting.
- Students continue to share excitement throughout the building with positive energy.
- Cookie Break has been a big hit.
 - This is a PBIS reward we have begun on Fridays (or end of the week). Our focus is to eliminate missing assignments/outstanding assignments. Providing positive reinforcement for those that have their work completed and a dedicated time for those that have outstanding work during their RISE time grade check time.
- End of the 1st Quarter is coming up on Thursday, October 31st

- Teacher work day and in-service day for teachers will be on Friday, November 1st.
- The Veteran's Day program is being planned by Blue Crue. More information is forthcoming on this once we have the information to share.

Professional Development of Staff:

- The first session of FastBridge progress monitoring is completed. The preliminary data from this assessment tool aligns with our MCA data for students in grades 6-11.
- Our MTSS team is going to be continuing to meet regularly over the next year to get training and build our district's MTSS Handbook to ensure we are meeting 100% of our learners
- Our PBIS Committee is formed and will be meeting regularly. We completed the initial PBIS self-evaluation as a district level committee to determine our areas of focus and re-boot/re-build of PBIS implementation. We have assistance from the regional PBIS coordinator from SWWC assisting with this. We are going to meet with her to discuss the items from the self-evaluation.
- Administratively, Julia and I try to meet weekly to continue to work hard collaboratively to re-align targets between the MS/HS and Elementary. We are truly working to bring back goals and targets of key committees across the district to align with the Cedar Mountain District mission and vision
- Dr. Malone, Julia and I meet as a large team and continue to discuss various needs across the district and implementation of items to align focus with Cedar Mountain's mission and vision.

Staffing:

- Over the past month we have had staffing shifts:
 - MS/HS PE/Health and DAPE position Open
 - (Carried over from previous month) 1.0 FTE Teaching position open - Working with Dr. Malone on what the needs are at the MS/HS as we align the needs with what the position will entail. We are working on what a full intervention position will look like and want to be intentional and vetting the position appropriately
- Upon applicant submissions and reviews, interviews will be conducted and recommendations will be submitted.

Personal Development:

- Cultures Built to Last: Systemic PLCs at Work book study
- I'm continuing to be an active member and part of the MASSP organization and our local Southwest division along with a smaller MASSP PLC cohort.

Activities Director Report- October 23, 2024

- I. Postseason tournaments have started for football and volleyball.
 - A. Volleyball hosted Lester Prairie on Monday, October 21. Quarterfinals will be Thursday at St. Peter High School.
 - B. Football will host a playoff game. Date and opponent not known as of 10/15.
- II. Middle School teams wrapped up their season last week. We had 17 kids in football and 29 in volleyball.
- III. Winter start dates:

905 ADVERTISING

I. PURPOSE

The purpose of this policy is to provide guidelines for the advertising or promoting of products or services to students and parents in the schools.

II. GENERAL STATEMENT OF POLICY

The school district's policy is that the name, facilities, staff, students, or any part of the school district shall not be used for advertising or promoting the interests of a commercial or nonprofit agency or organization except as set forth below.

III. ADVERTISING GUIDELINES

- A. School publications, including publications including programs, calendars, and digital media may accept and publish paid advertising provided they receive advance approval from the appropriate administrator. In no instance shall publications accept advertising or advertising images for alcohol, tobacco, drugs, drug paraphernalia, weapons, or obscene, pornographic, or illegal materials. Advertisements may be rejected by the school district if determined to be inconsistent with the educational objectives of the school district or inappropriate for inclusion in the publication. For example, advertisements may be rejected if determined to be false, misleading, or deceptive, or if they relate to an illegal activity or antisocial behavior. The faculty advisor is responsible for screening all such advertising for appropriateness, including compliance with the school district policy prohibiting sexual, racial, and religious harassment.
- B. The superintendent may approve advertising in school district facilities or on school district property. Any approval will state precisely where such advertising may be placed. The restrictions listed in Section A. above will apply. Advertising will not be allowed outside the specific area approved by the superintendent. Specific advertising must be approved by the superintendent or designee. In no instance will an advertising device be erected or maintained within 100 feet of a school that is visible to and primarily intended to advertise and inform or to attract or which does attract the attention of operators and occupants of motor vehicles.
- C. Donations which include or carry advertisements must be approved by the superintendent.
- D. The school district or a school may acknowledge a donation it has received from an organization by displaying a "donated by," "sponsored in part by," or a similar by-line with the organization's name and/or symbol on the item. Examples include activity programs or yearbooks.
- E. Nonprofit entities and organizations may be allowed to use the school district name, students, or facilities for purposes of advertising or promotion if the purpose is determined to be educationally related and prior approval is obtained from the superintendent. Advertising will be limited to the specific event or purpose approved by the superintendent.

- F. Contracts for computers or related equipment or services that require advertising to be disseminated to students will not be entered into or permitted unless done pursuant to and in accordance with state law.
- G. The inclusion of advertisements in school district publications, in school district facilities, or on school district property does not constitute approval and/or endorsement of any product, service, organization, or activity. Approved advertisements will not imply or declare such approval or endorsement.

IV. ACCOUNTING

Advertising revenues must be accounted for and reported in compliance with UFARS. A periodic report shall be made to the school board by the superintendent regarding the scope and amount of such revenues.

Dr. Kelly Smith, Superintendent
Dan Merkel, School Board Chair
Gibbon-Fairfax-Winthrop School District
323 E 11th Street
Gibbon, MN 55335

Dear Dr. Smith and Mr. Merkel:

The Cedar Mountain School District is seeking to share a superintendent beginning with the 2024-25 school year. Accordingly, we are contacting area school districts to determine interest.

Small rural school districts are challenged to find ways to reduce expenses while continuing our commitment to quality education. A shared superintendent position could reduce cost for both districts with minimal impact on the districts' educational programs for students.

Please respond no later than November 29 if you are interested in discussing a shared superintendent position. We suggest that the superintendents and two school board members from each district meet in early December. The school boards could act on the matter thereafter. Then, we could begin the search process in January.

Sincerely,

Dr. Stephen L. Malone, Superintendent
