

Amended Preschool Transportation Policy for the remainder of the 23-24 school year

If the Cedar Mountain School District is providing transportation for your preschool child, we ask:

- You specify ONE LOCATION for pick up and drop off
- The parent buckles the child in/out of the van
- When the van arrives at daycares and home locations, the van will stop, honk, and wait for three minutes.
- Transportation availability and options are subject to change and at the discretion of administration.
- The district will provide transportation to and from the Morgan site to the Franklin site at no cost to the parents.
- Please use every effort to assist in getting your child to preschool.

WE appreciate your cooperation.

If there are any questions or changes with your transportation plan (your child is ill and won't be at daycare, etc), please notify your child's teacher.

The students that have been attending preschool at the Morgan site, will receive transportation from the Morgan building to the Franklin building. There will be no cost.

3 year old morning preschool students at the Morgan school.

- Please have your child at the Morgan building - district office entrance by the following times:
 - Monday- 8:15
 - Wednesday - 8:15
- Please pick up your child at the Morgan building- district office entrance at the following times:
 - Monday and Wednesday at 11:15
