

Annual scholarships

Scholarship application

Olivia Hospital & Clinic Foundation scholarship fund provides annual scholarship awards to eligible high school students in the Renville County community and OHC employee's children who wish to pursue a degree in human health care. Our hope is that in the future, students will return to work in the communities we serve. This scholarship is open to a student, without respect to race, creed, or national origin. Each student is eligible for one scholarship from Olivia Hospital & Clinic Foundation.

Olivia Hospital & Clinic Foundation Scholarship Criteria:

- Be a graduating high school senior
- Must be pursuing a degree in a human health care related field
- Must have a current GPA of at least a 2.0
- Attend a Renville County High School or be a resident of Renville County (If applicant is an OHC employee's child, they do not need to attend a Renville County High School or be a resident of Renville County)
- Completed the application in full of all supporting documents and on time

Payment will be made to the education institution after 2 full semesters have been completed. The scholarship awardee is responsible for turning in their transcripts to the Foundation within 2 months of the completion of their 2 full semesters. Failure to submit within that timeframe could result in the loss of the scholarship.

- Depth and quality of content, organization, spelling and grammar will be considered when scoring applications
- Recipients will be announced in May 2025

Application deadline

Applications are due to Olivia Hospital & Clinic Foundation by March 28, 2025. Email completed application and required attachments to Jackie.A.Edwards@HealthPartners.com.

Questions, please contact Jackie Edwards, Director of Foundation and Community Relations at [320-523-8374](tel:320-523-8374).

About you
